## Testimonials

We have been thrilled with our experience at Clayton Child Center. Both of our kids have been here since they were several months old. We know that our children are getting the finest care, education and so much love from the staff. There is no better infant center or preschool in St. Louis!

*Matt and Jennifer Jermak*

I would recommend Clayton Child Center preschool to anyone! The staff is wonderful with the children. The atmosphere is very happy and warm. Overall, just a great experience!

*Rebecca Galley*

We are very quick to give our friends and acquaintances a recommendation for your preschool!

*Joan and Neil Robertson*

I have had all three of my children attend CCC because the teachers appreciate the individuality of each child, and in a very loving way, guide them into their best expression of who they truly are. Thank you CCC.
